I have read the above details and agree in full with the policies as set forth. I understand that I will be required to set-up an account in CCJ's Financial Account Management System (Groundwork) and pay the Commitment Deposit to accept any position in the club; and that I am responsible for the season's full tuition, even if the athlete is unable to participate in tournaments and/or training sessions. I further understand that I will be financially responsible for any fines levied against the club for my (or my athlete's) misconduct.

My signature below indicates my acknowledgement of the terms and policies for participation in the club. I understand that once a position is offered and accepted with a Commitment Deposit, it will indicate the commitment to Club Cactus Juniors Volleyball Club. The Arizona Region and USA Volleyball considers this commitment for the entire season.
